12 Point Challenge

GPS For Life

Boost your ability to connect.

INCREASE YOUR RESULTS

It is not enough to have a vision, one must write it down, visualize it, break it apart.

See the components that make up the whole. Then, and only then, can

You activate it. What's your dream? Bring it with you! Discover how to live it!

Discover why this is the expressed will of God.

Your Vision – Your Destiny

YOU WILL LEARN

- A CHART IS NOT JUST TERRITORY
- THERE IS NO FAILURE
- TRUE DILIGENCE IS POWERFUL
- SPECIAL PARTNERING
MULTIPLICATION FACTOR
- HOW TO PUT IT ALL TOGETHER!

Vision is precise, clearly defined picture with a detailed plan and timetable for achieving that plan.

Desire is the fuel that provides the energy that propels us forward into new adventures and new experiences.

Destiny cannot be reached without the ability to communicate and translate your world around you, where you are, where you are going, and how to get there.

There are specific components that must be realized, actualized, and integrated to increase your rate of success.

Learn how to plan and articulate your destiny, communicate it to others, fuel your desires and move forward.

Your desires, dreams and vision for your future can be activated NOW! All too often we sit and wait for something to jumpstart our quest. Are you sitting at a crossroads in your journey through life? By charting out the possible routes to your destination you are able to foresee roadblocks and detours. By planning ahead you can decrease and eliminate many obstacles allowing the journey to be as rewarding as the destination. By unlocking wisdom you are guaranteeing success. Join with us as we venture into the open waters and – go deep!

WE WORK USING ACTIVE LEARNING. NOW CAN WE HELP YOU?

We replace the 4 letter word WORK with another 4 letter word PLAY.

What's learned with pleasure, is learned full measure.

THE CHALLENGE!

Commitment 1 – Attend an all day workshop to activate your vision and begin the charting of your Destiny. Learn why God says you need to do this.

Commitment 2 – Attend a second all day workshop approx. 4 weeks later to learn how to translate the world around you, build relationships and communicate. The hidden key of future successes.

Commitment 3 - Meet once per week (as a group) for approx. one hour. This is our P.I.E. meeting. Yes we may eat some while we are involved in planning, implementation and evaluation assisted by a professional coach.

Commitment 4 – Upon conclusion of the challenge, celebrate with us as we reach our first ``Port of Call`` in the journey!
